- All Classes will payout.

3-Spot Rules

This Tournament is a Lancaster Format

- Practice Range: will be on-site \$15 for the entire weekend, 3 Spot target faces are provided, or \$10 a day.
- X scores as 11
- There will be NFAA line Judges.
All Archers are required to replace their target face at the line Judges discretion, target faces may not be moved or repaired at any time during the tournament.
- Qualification rounds will be timed at 2 minutes (120 seconds) for 3 shots. Any arrows shot after 2 minutes will be counted as a zero.
- Qualification rounds will have 2 ends of practice before official scoring begins.
- Archers will switch shooting order and target replacement at the half (10 scoring ends), top targets will move to the bottom and bottom will move to the top.
- Archers in the CD position will shoot first throughout qualification rounds. (Bottom always shoots first). AB shoot top.
- Any arrows traveling past the 3-meter dead arrow line cannot be re-shot and will be scored as a miss.
- Divisions will follow NFAA/Vegas Rules and Equipment.
- For cash payout we must receive a W-9 or W-8 BEN IRS form if your check is over \$600.

Bare Bow Class Rules

Barebow follows World Archery rules Archers in this division shoot either a recurve or longbow. Rest and plunger permitted. String walking is allowed. No clickers, draw checks or stabilizers are allowed, but riser mounted weights are allowed so long as the bow with all legal accessory's fits through a 12.2cm WA/USAA Judge's ring. No serving ending or marks are allowed on bowstring.

Shoot Off Format

- Elimination matches consist of 4 ends 3 shots (12 arrows) maximum possible score of 132 (12) 11`s.
- All Elimination matches will be timed at 2 minutes (120 seconds) for 3 shots.
- Two ends of practice will be given at the beginning of your division`s first elimination match at 12:00 pm.
- Archers in CD position will shoot first throughout the elimination rounds when there are 4 archers per bale.
- During match, Archer calls opponent`s arrows, archers may disagree with opponent`s arrow call and appeal to a Judge, Judges call is final.

3-Spot Elimination & Payout Details

*Qualification placement cut off for elimination round in each division.
The cutoff is based on the number off shooters in each*

- Championship division with 125 shooters will use the top 64 Olympic bracket in the elimination round and payout top 32. Amateur division is the same bracket with 150 shooters will payout top 32.
- Championship division with 100 Shooters will use the top 48 Olympic bracket in the elimination round and payout top 24. Amateur division will use the same bracket with 125 shooters will payout top 24.
- Championship and Amateur division with 75 shooters will use the top 32 Olympic bracket in the elimination round and payout top 16.
- Championship and Amateur divisions with 50 shooters will use the top 16 Olympic bracket in the elimination round and payout top 8.
- Championship and Amateur divisions with 25 shooters will use the top 8 Olympic bracket in the elimination round and payout top 4.

Top 64 Olympic bracket for elimination will be 1 vs 64 – 2 vs 63 - 3 vs 62 and so on. Then top 32 will be 1 vs 32 – 2 vs 31 – 3 vs 30 and so on. Then top 16 will be 1 vs 16 – 2 vs 15 - 3 vs 14 and so on. Then the top 8 shooters will go to the shoot up match. #8 vs #7 winner will shoot against #6 and so on. Not all divisions will have the top eight in the shoot up matches based on number of shooters per division.

For cash payout we must receive a W-9 or W-8 BEN IRS form if your check is over \$600.
